Nevertheless, the little girl brought the gift to her father the next morning and said, “This is for you, Daddy”.

The man became embarrassed by his overreaction earlier, but his rage continues when he saw that the box was empty. He yelled at her, “Don’t you know where you give someone a present, there is supposed to be something inside?” The little girl looked up at him with tears in her eyes and cried;

“Oh, Daddy it’s not empty at all. I blew kisses into the box. They are all for you, Daddy”.

The father was crushed. He put his arms around his little girl, and he begged for her forgiveness.
